We appreciate your understanding and cooperation.

PARKING - \$10 per day

ADMISSIONS - \$25 adults and \$15.00 children/seniors/military

We ask that you pay in cash if possible. A credit card may be used for an additional \$2 processing fee.

MEET SCORES/RESULTS

As always, all ARTISTIC sessions will have live scoring. Find our event on www.meetscoresonline.com

FOR T&T - Judges will only be flashing the difficulty score and any penalties that will be applied to the routines to keep touch points to a minimum. PDC scoring will be providing all electronic scoring. Total Scores will be displayed on screens located at each event. Also, we will not post results onsite to eliminate the possibility of congregating and again limit the touch points for safety reasons. We will provide a full set of results to each club after the competition is complete. They will also be posted on the Texas Tough website: <https://www.texasroughinvitational.com/results>

AWARDS

All (USAG Women, Men and TAAF) awards will take place at the end of the competition space. After your session, please follow the signage for your color gym. As usual we will have our strength awards so athletes be ready for those. Trampoline and Tumbling awards will take place directly after their flight on the competition floor.

We will do our best to spread out the staging area to help ensure social distancing is possible. Parents are not allowed in the staging area. Coaches and staff will be available to help ensure your child is in the right place at the right time. Please be sure your child knows what event they are competing in when you bring them to staging. They will help us get them in the correct area. We will have each line up event area marked for identification. NO BAGS OR STREET SHOES IN STAGING. Please send your child with only what they will need while on the competition floor. This is for a very short amount of time just before they compete, so they should not need backpacks or gym bags.

- Please do not have athletes bring bags into the staging area, they only need the items that will be required during their competition. (Trampoline shoes or socks)
- Athletes do not need to report to staging until their flight times have been called. We will also have a monitor that shows what flight time is currently in the staging area located where everyone can see it. Watch this monitor to stay informed.
